2ND EDITION

GIN ACADEMY INFO

Join us for a fully immersive Gin Distilling experience.

Hosted by one of our distillers, you will become a 'distiller for the day' yourself.

Gin and Tonic in hand, you will be guided through choosing your own botanicals and with a selection of over 30, there's a lot to choose.

Weigh them accurately, learn to dilute your spirit, and finally distil and label your very own bottle to take home.

Your recipe is then kept on file here at the distillery, and can be reproduced at any time.

3 cocktails are supplied throughout the day as you are taken on a timeline of the history of Gin, and the past it has to offer.

Speak to one of the bar team for more info.
